**:: :: (1) August 28th Game Night News :: ::**

Our weekly club meeting and game night was held at the Gamerz Depot in Olive Branch, MS. We had several gamers (I think about 8) turn out to meet and play. This week was just open gaming.

There were games of Magic, Flames of War and Warhammer 40,000 all played this week. Several of the club members have just started Flames of War armies so you can look for lots of practice games in the coming weeks and months.

One key feature this week was a playtest of the new unit activation system that we are considering for the upcoming Iron Cross IV Campaign. The basic set up is very similar to the card system used in AT-43. Each unit in your force org is represented by a card and the deck that represents your army is ordered ahead of each turn to dictate the order of unit activation. Opponents take turns activating units during each game turn until both decks have been played. The decks are re-ordered and the next turn is played. Look for more information about this new system with the information about Iron Cross IV.

If you missed the action this week, be sure to visit the Gamerz Depot this Thursday, September 4th at 6:00pm.

**:: :: (2) Iron Cross IV Campaign :: ::**

The annual Iron Cross Campaign is currently in the planning stages. We're working on some rules modifications and a new unit activation system that will make this edition of the campaign really special. Watch the forums for more information about Iron Cross IV !!!

Exciting news...next year's Mid South Con 27 that will be held in March of 2009 is moving to a new location. This is exciting news for our club members that live in the Northern Mississippi area. The driving distance and surrounding area being a bit more secure should make MSC27 much nicer!
